

Part of Castle Trail on C&D Canal Conservation Area closed for emergency repairs

ST. GEORGES – DNREC's Division of Fish & Wildlife announced today that a portion of the Mike Castle Trail east of the Biddles Point trailhead on the C&D Canal Conservation Area has been closed effective immediately due to a large sinkhole opening along the trail as a result of the recent heavy rains.

Repairs to replace a faulty drain and repair the blacktop on the trail will begin Friday, July 27, and are expected to be complete, with the trail reopened, weather permitting, on Monday, August 6.
